TERMINAL DISCLAIMER UNDER 35 U.S.C. § 253, SECOND PARAGRAPH

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I, John H. Runnels, represent that I am the attorney of record for the above-identified patent application.

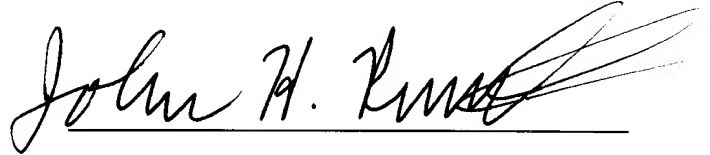

The terminal part of any patent granted on the above-identified application that would extend beyond May 9, 2021 (or, if later, the terminal part of any such patent that would extend beyond any extension of the term of United States Patent 6,943,280) is hereby disclaimed.

It is agreed that any patent so granted shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to United States Patent 6,943,280; this agreement to run with any patent granted on the above-identified application and to be binding on the grantor, its successors, and assigns.

This terminal disclaimer is being made with the assent of the assignee, Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, which holds one hundred percent (100%) of all right, title, and interest in this patent application and in any resulting patent by virtue of an assignment from the inventor recorded at Reel 010469, Frame 0628 on December 6, 1999.

The \$130.00 fee of 37 C.F.R. § 1.20(d) is being paid online through EFS-Web. If this amount is incorrect, please refer to the Deposit Account Authorization previously filed with the application.

Respectfully submitted,

A handwritten signature in black ink, reading "John H. Runnels", written over a horizontal line.
